

La Paz/Mohave Health Care Provider Web-Survey Draft

Intro Page Script: The First Things First La Paz/Mohave Regional Partnership Council is seeking to identify the strengths, weaknesses, opportunities and priorities for improving the early childhood system in La Paz and Mohave counties. You have been identified as a health care provider knowledgeable about your community, who could help in identifying early childhood system-building strategies. The information you provide in this brief survey will be kept confidential and the survey should take about 10 minutes to complete. Please select “next” below to begin.

Your organization:

What services are provided to children 0-5 by you/your organization? _____

What communities does your organization serve? _____

What is your title? _____

Regarding children aged birth through five in your community:

1. What are the three most critical health care needs for children aged 5 and younger in your community?

1. _____

2. _____

3. _____

2. What factors affect the quality of healthcare services in your community (healthcare services include medical, dental, vision, emergency medicine, mental health, special needs and rehabilitative care)?

3. What do you feel is needed to improve the quality of health care services for young children?

4. What barriers keep children aged five years and younger in your community from accessing healthcare services?

5. What could organizations or agencies do together to improve access to health care services for children five and younger (including insurance coverage, immunizations, mental health, oral and vision services)?

6. What would you say is the single most important thing that can be done to improve access to health care services for kids aged birth thru five in your community?

For this last question please think of the wider early childhood system, rather than just the healthcare component

7. What opportunities do you see to improve coordination and collaboration across the early childhood system in your community?

8. Any other comments on the early childhood system in your area?

Thank you very much for taking the time to complete this survey. The information you provided and your time are really appreciated.
